We begin Lent 2022

Volunteer Coordinators

Nancy Mortenson and Katrine Smith have accepted the post of Volunteer Coordinators to get our office up and running in it's new Volunteer mode.

The office is rapidly being reorganized in a different way because of its new purpose: *to welcome and serve volunteers* who take on a few hours a week or a particular task.

Nancy and Katrine as our "volunteer coordinators" will help match volunteers to tasks and times. I'm very grateful for this. The Administrator's job has a lot of pieces and each one requires some special knowledge, as you know from watching Carol's faithful service all these twenty years. So, now that we have to fend for ourselves we need to move as seamlessly as possible into those tasks.

Please let Nancy or Katrine know if you are willing and able to give a few hours to the office or take on a task or two. They have a master list of tasks. Some can even be done from home. This is yet another way you can be a blessing to your church family, and through it, God's world.

Lenten Soup and Study Begins Tuesday

On Tuesday March 8th we will share soup and bread in person (or of course on Zoom if you prefer). We will be reading and discussing "The Life Cycle of a Congregation" - a great resource to help us imagine what it would be like to move "back" into the earlier creative and exciting phase of forming elements of our mission anew.

A sign-up will be on the narthex table on Sunday for providing soup

and bread. The first week is covered already, thank you Diana!

Please let Diana know you plan to attend by either putting your name down on the "I will attend" sheet on Sunday or by emailing Fr. Steve. You will be emailed the pamphlet we are studying as a PDF that you can print or use on your reader. Or you can pick up a printed copy at the first session, just say on the sign-up sheet that you need one.

We will meet five weeks, ending March 29 so that Holy Week isn't too crowded. Hope to see you at this study and fellowship time.

Last Year's Palm Crosses Needed

Our ashes for Ash Wednesday will be made from last year's palm crosses if you are able to bring them from home. Many thanks!

The Bishop's Visitation This Sunday

Our schedule Sunday with Bishop Diana is planned as follows:

*Holy Eucharist at the usual 10:45am hour. You can participate in this section from Zoom. There will be no drive-by Holy Communion this week.

*Brief break to get refreshments.

*Move quickly back into church to hear from the Bishop and ask our questions. You can participate in this section from Zoom.

*After this most will depart and the BAC will meet with the Bishop in the parish hall.
